Dear Residents and Family Members –

I was notified today that two CNA's had been exposed to COVID-19 and have tested positive for the virus. Both of these individuals are being quarantined in their home.

We continue to have no residents or staff showing any signs or symptoms of respiratory distress but will inform you if anything changes.

Please be aware that we continue to follow all CDC guidelines regarding care and are strictly adhering to personal protective equipment recommendations.

As always, please feel free to contact me or Rachael McCullough, RN/DON at 508-775-6663 if you have any questions.

Sincerely,

Mary E. Benoit
Administrator
