

April 15, 2022,

Dear Residents, Families, and Visitors,

You all received communication earlier today that we had a staff member test positive for COVID-19. We will continue to test staff and residents per DPH guidelines.

The Pavilion Rehabilitation and Nursing Center continues to stay in very close communication with local and state health officials to ensure we are taking all the appropriate steps. We will contact you if your loved one is suspected or diagnosed with COVID-19. We know this is a very difficult time for everyone. We will continue to provide you with updates as they become available. Our website is updated daily or more as needed.

Please visit www.pavilionnsg.com/coronavirus-community-updates for details.

We encourage you to visit our website for updates and please reach out to us directly with any questions. (508) 775-6663

Sincerely,

A handwritten signature in cursive script that reads "Rachael McCullough RA".
